Education

2022 – 2026

Abertay University

BA (Hons) Game Design and Production

Gained an understanding of other disciplines, UX, and design models, specialising in systems design for my final year at University.

2016 - 2022

Clydeview Academy

SQA Advanced Higher Qualifications

Advanced Higher A markings in Computing Science, and Art & Design. Three Higher A markings in English, Media, and Physics

2022

West College Scotland

NPA Cyber Security with Data Science

A Senior Phase Programme during my final year of high school, this course taught a foundational understanding of ethical hacking and digital protection.

Work Experience

Summer 2023

Taco Bell

Food Preparation - Expediting - Cleaning

Learned fundamental skills for team communication in tense situations, and friendly customer service.

2021

Wellington Allotment Gardens Association
(Inverclyde)

Cement Construction - Reception Desk

Work experience I did in my fifth year of highschool. Primarily ran the reception desk for handling payments for botany products. Additionally, I worked with a group to construct a brick wall around the main garden.
